Our Work

The Hyderabad Polo & Riding Club (HPRC) went through a lot of hard work in little over a span of one-and-a-half months to resize the ground as per the specifications of the Equestrian Federation of India (EFI) to conduct NEC,2016. For sophisticatedly organizing the events, besides the extension of the ground, the Viewing Gallery and a path to the ground were made. To create space for the expensive horses that had arrived from all over the country, THE HYDERABAD POLO AND RIDING CLUB had moved its own horses to a different location to enable the participating horses a comfortable stay. And as they say, Hard work surely does pay off.

Our Promise

The motto of THE HYDERABAD POLO AND RIDING CLUB is to conduct these kinds of events from time to time and to promote young riders from Hyderabad and from the state of Telangana to higher levels of equestrian activities in all disciplines.
